

WALK 4 WILDLIFE

WOULD YOU LIKE THE CHILDREN AT YOUR SCHOOL TO BECOME GUINNESS™ WORLD RECORD HOLDERS AND HELP SAVE WILDLIFE AT THE SAME TIME?

On May 19th 2017, a truly unique event will be taking place all across the UK. Hundreds of thousands of primary school children will be taking part in an attempt to break a **Guinness™ World Record**.

On that day, primary schools up and down the country will be coming together to try and break the world record for a mass sponsored walk. (The current record is 231,635 people all walking at the same time!)

Unlike other organised sponsored walks, schools can choose where to walk, how long to walk for and most importantly, which charity to support.

As well as attempting to break the world record, schools will also be raising money for wildlife protection and conservation. Schools can choose to raise money for any charity they like, as long as it's involved in wildlife conservation in some way.

To find out more, and for information on how to register your school, visit www.walk4wildlife.uk or email enquiries@walk4wildlife.uk.
