Application to attend The BDS Training and Mentoring Scheme

In partnership with The Crown Estate Windsor, the Society is able to offer opportunities for BDS Members who are holders of a Deer Stalking Certificate 1 to gain one-to-one practical experience in aspects of deer stalking. These will include where possible, an opportunity under direct supervision to stalk and shoot deer, gralloch and transport deer, and leave deer in coat in a condition fit to enter the human food chain.

For a fee of **£250.00**, a participant will have two outings with a professional BDS training instructor who will guide them through all aspects of stalking and dealing with a carcass after the shot. Participants will be shown how to carry out specific procedures, which they will be encouraged to attempt themselves. For those without their own rifles, one may be borrowed from the instructor under the terms of the section 16 Firearms (amendment) Act 1988. **The cost does not include accommodation, meals or travelling.**

To secure a place on the course full payment in advance is required. Once the booking is made, confirmation of the dates will be given and joining instructions forwarded.
