

THE BDS INTERNET AUCTION

DONATION OF A LOT FOR OCTOBER 2020 AUCTION

We are planning our late October 2020 Internet Auction and would be delighted to receive any lots you are able to offer. The funds raised help BDS promote deer education, research and management best practice to ensure a healthy and sustainable deer population in balance with the environment.

The following have sold well in our previous auctions - stalking, game shooting, clay days, target shooting, all fishing, holiday breaks, offers for dining out and/or including an overnight stay, sporting equipment, clothing and accessories, sporting books, sporting pictures or prints, activities (golf, off-road driving) and photography.

Winners are advised that the lot is sold as described, and that no changes to the dates or other details can be made.

Full Description of Lot: (including essential elements e.g. dates/times available; accommodation and/or sustenance details; location; number of people; age or experience suitability/restrictions; FAC, insurance and/or rifle requirements; carcass included or otherwise)

Images: Please supply a high-resolution image of your lot. Bidders find it most helpful to have a visual image to complement the description, when our auction goes online. If you are offering a stalking or fishing lot please provide an image of your stalking ground or fishing area.
