Auction

Welcome to the BDS on-line & postal fundraising auction which will be hosted on eBay charity pages. To view go to the BDS website www.bds.org.uk and click on the link to eBay, which will be active when the auction starts early evening on 20th May www.eBay.co.uk. To give you a better opportunity and more time to win a lot, we have staggered starting times in three batches **starting on 20th, 21st & 22nd May**. Each batch will run for 10 days with the respective closing dates of **30th, 31st May & 1st June 2016**. The exact closing time for individual lots will appear alongside each Lot description on eBay.co.uk. The highest bidder for each lot at the end of the auction will win that Lot.

Bids on eBay

Bidding can be fast and furious in the closing stages so you may want to keep an eye on your bids during the course of the final evening.

Times of when bids close for each lot are shown on eBay. Bidding on eBay.co.uk is simple and works similarly to leaving "commission bids" at a live auction. You place a bid for the most you are willing to pay for a Lot and, if you are the winning bidder, you will pay the amount necessary to beat the next highest bid. For instance, if you bid £100 for a Lot and the next highest bidder bids £50, you will only have to pay £55 for the Lot, even though you placed a bid for £100. Once you have made your bid, you therefore don't need to closely monitor the site or bid repeatedly on an auction on eBay.co.uk. Having placed your bid if you are later outbid, eBay.co.uk will notify you by email, so you can decide whether to increase your bid.

Bids by Post

If you have any problems bidding, please contact us on 01425 655434 option 3 or email admin@bds.org.uk

BDS will be pleased to accept postal bids which we will place on eBay on your behalf. Your bid then works in exactly the same way as described above. Postal bids must be received by **25th May 2016** latest in the BDS office at The Walled Garden, Burgate Manor, Fordingbridge, Hants SP6 1EF.

Successful Bidders

If you win the auction for a Lot, you can pay instantly by using PayPal or by contacting the BDS with cheque or credit card details. BDS will also put you in contact with the donor of the Lot to arrange the details etc. eBay.co.uk does not charge winning bidders any fees – you will pay only the exact amount of your winning bid. The seller (the BDS in this case) pays a small commission to eBay.co.uk for hosting the auction.

eBay

You can view current bids or browse other auctions without registering with eBay.co.uk. However if you would like to bid directly on eBay.co.uk, you will need to register. Go to www.ebay.co.uk and click on 'eBay explained'. For the new user registration page go to www.ebay.co.uk and click on 'Register'. Once you are registered and have a User ID, you can place bids on any Lots being auctioned on eBay.co.uk.

IMPORTANT NOTICES AND CONDITIONS OF SALE

7. Bidders bidding by mail authorize BDS to place a bid on eBay.co.uk as agent on their behalf and shall be bound as if they had placed the bid personally.
8. Payment can be made instantly on eBay using the PayPal service or by credit card or cheque payable to The British Deer Society within 7 days of notice of a winning bid. If full payment has not been received within two weeks of notification, the sale may be rescinded by the BDS without notice. The rights to a lot purchased shall not pass until the BDS has received payment in full.
9. Where appropriate the onus is on the buyer to contact the donor or his representative and arrange mutually convenient dates and times for stalking, shooting, fishing, accommodation etc. The British Deer Society will forward contact details to the buyer within two weeks of the sale. The BDS can accept no further responsibility for the arrangements.
10. **All Lots in the BDS Auction must be taken during 2016 unless otherwise stated, and are taken at one's own risk.**
11. In the event of cancellation of a sporting lot for whatever reason, bad weather, outbreak of disease, terrorism etc. any alternative date will be a matter of negotiation between the donor and bidder. The BDS can accept no further responsibility for the arrangements.
12. These conditions of sale are subject to English law. The BDS and each bidder submit to the exclusive jurisdiction of the English Courts.
13. Lots in this Auction have all been generously given for the benefit of the BDS. They may not be resold or awarded as prizes for competitions.
