

**BRITISH DEER SOCIETY
APPLICATION FOR RESEARCH FUNDING**

Application for:	Research Studentship	Support for CASE studentship	Research Grant	Research Contract
-------------------------	----------------------	------------------------------	----------------	-------------------

Please ensure you have read the British Deer Society's conditions in relation to applications for funding and in particular take note of the declared priority areas in which the Board has elected to encourage research and target research funding.

1. Applicant details:

Title	[Mr/Mrs/Ms/Dr/Professor/Other]
Surname	
Forename(s)	
Institution/Affiliation (if any)	
Address for Correspondence	
Telephone	
Email	

2. Brief Title of project:

--

3. Summary of main purpose of project and expected outputs: [Limit 300 words]

--

4. Summary of funding sought from the British Deer Society:

Year 1	Year 2	Year 3			Total sought

5. Presumed start date:

--

6. Is BDS considered main/sole funder? _____

If only partial funding sought, give details of other funding applied for or already secured:

Applied for: Secured:
--

7. If applicant is not Principal Investigator (or in the case of a PhD studentship application, the proposed supervisor), please name the investigator below together with any other collaborators:

Investigator/ collaborator	Institution, if not the same as Principal Investigator
1.	
2.	
3.	

8. Background to the Project: [Limit 500 words]

Please give brief details of the origin/context of the project proposed and any background you feel important in evaluating the current proposal.

--

9. Main Objectives of the Project: [Limit 300 words]
Please describe the main objectives of the project and what it is hoped to achieve. Please outline projected milestones and timing of delivery to those targets. Applicants may append a more detail project description as an attachment/appendix to this form.

10. Approach/Methods proposed: [Limit 500 words]
Please highlight any novelty in approach or methodology proposed.

11. Outputs/Deliverables: [Limit 300 words]

As well as noting direct output from the project, please summarise what you consider may be the benefits that might flow from it. Pay particular attention to any applied benefit/ applications anticipated as how these may relate to the Society's declared research priorities.

12. Dissemination of Results:

Please explain how you propose to publicise you findings.

13. Do you seek in-kind support from the British Deer Society in addition to/instead of direct funding (e.g. *help with collection of samples, provision of volunteer assistance etc.*)?

If so please give brief details below:

14. Proposed budget:

Type of expense	Year 1	Year 2	Year 3			Total
Studentship support						
Staff costs (incl NI and superannuation)						
Casual labour costs						
Equipment						
Consumables						
Travel costs						
Other costs						

All costs should indicate whether or not they include VAT.

It should be noted that the Society will not normally cover costs of any institutional overheads.

15. Justification of budget:

Please provide a full explanation of budget requirement, giving full details of any equipment sought, justification for staff costs, consumables and explanation of anticipated travel costs.

Type of expense	Details of requirement
Studentship support	
Staff costs (incl NI and superannuation)	
Casual labour costs	
Equipment	
Consumables	
Travel costs	
Other costs	

16. Curriculum Vitae of applicant/principal investigator:

Please offer a brief resume, highlighting previous work or experience particularly relevant to this application. A full c/v is not sought at this stage. If you have already published in this, or a related field, please list 4 relevant recent publications

<p>Publications:</p>

17. Referees:

Please give names and addresses of two people whom the Society might approach as referees for this application if necessary

--	--

You should note however that the application will also be sent for consideration to members of the Society's Research Committee.
